

Volunteer Agreement

For this association to function properly on game days, we need to have parents volunteer to do several jobs to make the game go smoothly for the children. We realize that everyone wants to watch their child play but it is unfair for the same volunteers to work at every home game. This season the team parent will be assigning a responsibility to an adult for each child some time throughout the season.

Below is a listing of jobs that need to be filled to make our practices and games go smoothly for the children.

If you or anyone in your family is interested in doing any of these jobs please check beside the appropriate job.

The following help is needed for practice and games and requires us to perform background check on you.
